

Remarks

In response to the restriction requirement of the Office Action of May 11, 2009, the applicants elect the following species: propofol from List I (binding substance for synthetic polymer), conducting material from List II (interior space material), and electrochemical transducer from List III (transducer). All the pending claims read on this elected species.

No new matter is added by the amendment. Support for new claims 28 and 29 may be found *inter alia* in the original claims, where claim 21 depended from claim 16 (as well as other claims), and claim 16 depended from claim 13 (as well as other claims).

It is believed that no fees, other than the \$104 fee for additional claims, are needed for submission of this communication; however, if any additional fees are required for the timely consideration of this application, please charge deposit account number 19-4972.

It is submitted that all the pending claims are in a condition for allowance. Consideration of the application and issuance of a notice of allowance are respectfully requested.

Respectfully submitted,

/Timothy M. Murphy, Reg. #33,198/
